The customer must obtain an RMA number before returning any product. The RMA number must be written on the outside of the box that is returned in. The product must be returned within 2 weeks of receiving an RMA number or it will be cancelled. All products must be returned in accordance with SpecTek's published RMA policy, and must be shipped in ESD safe packaging material. **ONLY APPROVED PRODUCT and shipments/products that meet SpecTek policy** for the specified RMA number will be accepted. **All other product will be returned to the customer freight collect.** Send all RMAs to 900 East Karcher Road Nampa, Idaho 83687. SpecTek is not responsible for RMA shipments that are not sent/delivered to the correct address. All RMA products being returned are for credit, unless otherwise stated and agreed upon, in writing, by all parties. Up-to-date forms and policies may be viewed and printed off our web site (www.SpecTek.com) or obtained by contacting SpecTek_RMA_ADMIN directly.
